World Taekwondo is the best!!

Hi, my name is Talia-Blaze Dellow, I'm 10 years old. I'm a member of World Taekwondo and I have a green belt with a purple tip. On Wednesday the 1st of December 2010 I went to grading. During my grading I was called up to the front and Master Wahid Halimee asked me to break two boards put together, they turned out to be at least 2cm thick. I was in front of a pretty big crowd. When I finally broke the boards everybody clapped, it was that moment I felt so strong, so confident and so excited. That moment was so AWESOME!
